INDEPENDENT AUDITORS' REPORT

To the Board of Directors
City of Kingston Local Development Corporation
Kingston, New York

Report on the Financial Statements

We have audited the accompanying statement of net position of the City of Kingston Local Development Corporation ("KLDC") (a component unit of the City of Kingston), as of December 31, 2019, and the related statements of revenues, expenses and changes in net position and cash flows for the year then ended and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to KLDC's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of KLDC's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the City of Kingston Local Development Corporation as of December 31, 2019, and the changes in its net position and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis on Pages 3 – 5 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, and historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the method of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated May 15, 2020 on our consideration of KLDC's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering KLDC's internal control over financial reporting and compliance.

MANAGEMENT'S DISCUSSION AND ANALYSIS

Year Ended December 31, 2019

As financial management of the City of Kingston Local Development Corporation (KLDC), we offer readers of these financial statements this narrative overview and analysis of the financial activities for KLDC for the fiscal year ended December 31, 2019. This discussion and analysis is designed to assist the reader in focusing on the significant financial issues and activities and to identify any significant changes in financial position. We encourage readers to consider the information presented herein in conjunction with the financial statements taken as a whole.

Budget

KLDC occasionally receives grants, with a minimal amount of operating income, to extend its programs. KLDC files for various grants and loans to provide economic development assistance in the City of Kingston. However, the funding of these grants is not assured at the beginning of the year. Because KLDC does not know how much funding will be received during any year, how many loan applications will be approved, or what programs can be made available, KLDC cannot project the amount that it can use for its programs to project an accurate budget. KLDC strictly adheres to financial procedures and requirements of New York State General Municipal Law, Article 18A, and its own bylaws.

Overview of the Financial Statements

This management's discussion and analysis accompanies KLDC's financial statements, notes to the financial statements and the reports on compliance and internal control to help the reader better understand the financials.

Financial Statements

KLDC's financial statements provide readers with a comprehensive reporting of KLDC's 2019 transactions and balances. The difference between the assets and liabilities are reported as the net position. Increases or decreases in the net position are an indicator of strengthened or weakened financial position.

Notes to the Financial Statements

The notes provide additional information that is essential to a full understanding of the data provided in the basic financial statements.

Financial Analysis

KLDC's net position increased by \$39,094 in 2019. This was due to an increase in operating revenues, as a result of a bad debt recovery over the prior year. Operating revenues, increased by \$21,693 and operating expenses increased by \$1,476 for the year. Non-operating activities increased by \$441. KLDC's prime objective is administration of certain loan programs, economic development, technical assistance and training, operation of the Kingston Business Park of the City of Kingston, and infrastructure improvement aimed at fostering new job creation which are business-type activities. Since KLDC conducts only business-type activities, this annual report consists only of the statements of net position, revenues, expenses and changes in net position and cash flows, which provide information about the activities of KLDC.

CITY OF KINGSTON LOCAL DEVELOPMENT CORPORATION

NOTES TO THE FINANCIAL STATEMENTS

Year Ended December 31, 2019

NOTE 1 ORGANIZATION

The City of Kingston Local Development Corporation ((KLDC), in Kingston, New York, was incorporated in 1994, under Not-For-Profit Corporation Law and is exempt from Federal income tax as an Organization described in Section 501(c)(3) of the Internal Revenue Code.

KLDC is operated exclusively for the charitable or public purposes of relieving and reducing unemployment, promoting and providing for additional and maximum employment, bettering and maintaining job opportunities, promoting instruction or training of individuals to promote or develop their capabilities for such jobs, aiding in attracting new business and industry, or by encouraging the development or retention of, business and industry within the City of Kingston.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation and Accounting

For purposes of applying accounting and financial reporting standards, KLDC is considered a governmental entity and a component unit of the City of Kingston since all board members are appointed by the Mayor. As such, KLDC has implemented the requirements of GASB Statement No. 34, *Basic Financial Statements – and Management’s Discussion and Analysis – for State and Local Governments*.

- The financial statements are prepared in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) as applied to government units. The Governmental Accounting Standards Board (GASB) is the accepted standard setting body for establishing governmental accounting and financial reporting principles.
- The Management’s Discussion and Analysis (MD&A) section is management’s analysis of KLDC’s overall financial position and results of operations.
- The financial statements are prepared using the full accrual basis for all activities. Operating revenues and expenses result from providing lending services and also operation of a business park.

Notes Receivable

Notes receivable are shown net of the allowance for uncollectible accounts in accordance with U.S. GAAP. Receivables for loans are reviewed periodically by management to update the allowance for uncollectible amounts. These provisions are estimated based on an analysis of the aging of the receivable and any other factors known by management. The allowance for uncollectible accounts was \$32,130 as of December 31, 2019.

Cash and Cash Equivalents

For purposes of the statement of cash flows, KLDC considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents.

CITY OF KINGSTON LOCAL DEVELOPMENT CORPORATION

NOTES TO THE FINANCIAL STATEMENTS

Year Ended December 31, 2019

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Cont'd.)

Capital Assets

All acquisitions of property and equipment are capitalized and recorded at cost. Capital assets as defined by KLDC are assets with an initial unit cost of \$1,000 or more and an estimated useful life in excess of one year. Donated capital assets are recorded at estimated fair market value at the date of donation. The costs of normal maintenance and repairs that do not add the value of the asset or materially extend the asset's life are not capitalized. Major outlays for capital assets and improvements are capitalized as projects and depreciated when placed in service. Depreciation of property and equipment is provided on the straight line method

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reported period. Actual results could differ from those estimates.

Net Position

KLDC reports its net position in three components. Net investment in capital assets are equal to amounts reported for capital assets, net of related debt and accumulated depreciation, plus deferred outflows of resources less deferred inflows of resources related to those assets. Restricted net position is reported when assets (net of related debt) can only be used for a specific purpose that is established by grantors, contributors, laws or regulations governing KLDC. Unrestricted net position is all other net position that does not meet the definition of invested capital assets or restricted net position.

Prepaid Expenses

Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid expenses.

Income Tax Status

KLDC is a tax-exempt organization under Section 501 (c)(3) of the Internal Revenue Code and similar New York State laws and, as such, is not subject to Federal or State income taxes. In addition, KLDC qualifies for the charitable contribution deduction under Section 170(b)(a)(2) and has been classified as an organization other than a private foundation under Section 509(a)(2).

KLDC reviews the components of revenues, gains, and other support and analyzes whether the position that KLDC takes with regard to a particular item of income would meet the definition of an uncertain tax position under U.S. GAAP. KLDC files information tax returns in the U.S. Federal and New York State jurisdictions. The tax years that remain subject to examination by authorities are generally the previous three years.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Cont'd.)

Accounting Pronouncements

The primary objective of Statement No. 84 is to improve guidance regarding the identification of fiduciary activities for accounting and financial reporting purposes and how these activities should be reported.

KLDC has evaluated the provisions of GASB Statement No. 83, *Certain Asset Retirement Obligations* and Statement No. 88, *Certain Disclosures Related to Debt, including Direct Borrowing and Direct Placement*, and Statement No. 90, *Majority Equity Interests* – an amendment of GASB Statement Nos. 14 and 61, which became effective for the fiscal year ended December 31, 2019, and determined that they have no significant impact on KLDC's financial statements.

The following are GASB Statements that have been issued recently and are currently being evaluated by KLDC, for their potential impact in future years:

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT
OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS

To the Board of Directors
City of Kingston Local Development Corporation
Kingston, New York

We have audited in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of City of Kingston Local Development Corporation (KLDC), which comprise the statement of net position as of and for the year ended December 31, 2019, and the related statements of revenues, expenses and changes in net position and cash flows for the year then ended and the related notes to the financial statements, and have issued our report thereon dated May 15, 2020.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered KLDC's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of KLDC's internal control. Accordingly, we do not express an opinion on the effectiveness of KLDC's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of KLDC's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies, and therefore, material weaknesses or significant deficiencies may exist that have not been identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether KLDC's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of KLDC's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering KLDC's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

This report is intended solely for the information and use of the City of Kingston Local Development Corporation audit committee, management, the State of New York, and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.
