### **I. INTRODUCTION**

The City of Kingston, New York hereinafter referred to as (the "City") is seeking responses from qualified developers to design, construct and operate a mixed use development on three separate parcels owned currently by the City of Kingston. The City is interested in a mix of housing units, appropriate commercial and retail space and public parking, and will consider separate proposals for each location or a combined proposal for all the sites.

Information regarding the City of Kingston, its' departments, Laws and Codes can be obtained from the City's web site <http://www.kingston-ny.gov>. Respondents are encouraged to review this information.

Section VIII of this RFQ contains an outline of important meeting dates and deadlines.

The successful respondent to the RFQ will negotiate the terms and conditions of the sale of these parcels the terms of which will be contained in an Agreement negotiated by and between the Developer and the City.

## **II DEVELOPMENT CONCEPT**

There are three sites in Uptown Kingston for which the City will contemplate proposals for adaptive development; the locations are as follows:

**Former Uptown Parking Garage Site**  
21 North Front Street & Odd Side of Schwenk Drive  
SBL# 48.80-1-26

**North Front Street Parking Lot – (North Side)**  
65-77 North Front Street  
SBL# 48.314-2-16

**North Front Street Parking Lot – (South Side)**  
72-82 North Front Street    SBL# 48.330-3-3(4)(5)  
178 Green Street            SBL# 48.330-3-29  
69-71 Crown Street         SBL# 48.330-3-9

The City is seeking a highly qualified developer to propose signature mixed-use project(s) which will enhance and complement the current structures and use patterns existent in the neighborhood. The overall vision is for a vertically integrated and vibrant urban project which creates a sense of place sufficient to knit the proposed project with the surrounding historic district and nearby historic properties. The City seeks responses which will enhance the Uptown Business District's viability through the expansion of housing/lodging and commercial/retail opportunities.

Contemplated uses can include, but are not limited to, a mix of residential, hotel, retail and office space, as well as public parking. All development proposals MUST comply with requirements of the City's Procurement Policy and Procedures, these guidelines may be accessed at [www.kingston-ny.gov/Purchasing](http://www.kingston-ny.gov/Purchasing).

**III. DEVELOPMENT OBJECTIVES**

The City seeks to achieve the following objectives through this RFQ:

1. Clearly demonstrate that the City will receive public benefits that are commensurate with the value of the real estate being offered including any purchase price offered as part of the proposal.
2. Secure major private sector investment in the construction of a high-quality urban scale mixed-use development.
3. Maximize the level of public benefits to be generated by the proposed development including real estate taxes, job opportunities and public parking.
4. Obtain a project that achieves the highest level of quality in terms of urban and architectural design, while also being particularly careful to respect the historic fabric of the National Register Historic District. Responders shall be required to include a zoning analysis for their proposal.
5. Obtain a highly-visible development that respects central business district revitalization, utilizes smart growth principles, sustainability and green building technologies.
6. Secure a development which integrates components, operational aspects, designs and site layouts with surrounding land use redevelopment plans.
7. Secure a financially feasible development which is market-driven.
8. Facilitate and continue the revitalization of Kingston's Historic Uptown Stockade Area.
9. The City will consider this parcel separately or jointly with the two other locations

**IV. DEVELOPMENT GUIDELINES**

**Former Uptown Parking Garage Site**

1. The City is the fee title holder of the parcel. The City demolished a 317 car parking structure located on the 21 North Front Street lot in the spring of 2008. The City seeks a development which embraces mixed-use concepts as part of its design.
2. The proposal should include at least 200 public parking spaces, or propose alternatives to developing public parking as part of the proposed buildings. The selected developer can provide rationale to adjust the public parking requirements as specified in the RFQ. Multi-modal alternatives will be considered.
3. The City will view favorably proposals which include street level commercial, retail, or dining establishments. Any proposals for street level residential units will not be considered.
4. The State of New York Historic Preservation Office approval of the design will be required.
5. Green building technologies, sustainable practices, smart growth principles, and integration by complimenting the historic district and business district character.

**North Front Street Parking Lot – (North Side)**

1. The City is the fee holder of the parcel. This lot contains sixty 60 parking spaces, one (1) of which is ADA Accessible. Effort must be taken to maximize parking with any proposed project
2. The City will view favorably proposals which include street level commercial, retail, or dining establishments. Any proposals for street level residential units will not be considered.
3. The State of New York Historic Preservation Office approval of the design will be required.
4. Green building technologies, sustainable practices, smart growth principles, and integration by complimenting the historic district and business district character.
5. This building lot also has adjacent businesses and all development proposals should factor that into their proposal
6. The City will consider these parcels separately or jointly, including the opportunity to develop this parcel with parking on the opposite side of the street or vice versa

**North Front Street Parking Lot – (South Side)**

1. The City is the fee holder of the parcel. This lot contains sixty 70 parking spaces, three (3) of which are ADA Accessible. Effort must be taken to maximize parking with any proposed project
2. The City will view favorably proposals which include street level commercial, retail, or dining establishments. Any proposals for street level residential units will not be considered.
3. The State of New York Historic Preservation Office approval of the design will be required.
4. Green building technologies, sustainable practices, smart growth principles, and integration by complimenting the historic district and business district character.
5. This building lot also has adjacent businesses and all development proposals should factor that into their proposal
6. The City will consider these parcels separately or jointly, including the opportunity to develop this parcel with parking on the opposite side of the street or vice versa

**V. SUBMISSION REQUIREMENTS**

All respondents to this RFQ are required to submit detailed information as set forth below. Responses that do not materially conform to this outline will not be considered. Additional material and information, as deemed appropriate by the respondent may be included in the submission package.

City of Kingston. Individuals or firms that submit proposals to the City of Kingston may request that the City except all or part of such a proposal from public disclosure, on the grounds that the

proposal contains trade secrets, proprietary information, or that the information, if disclosed, would cause substantial injury to the competitive position of the individual or firm submitting the information. Such exception may extend to information contained in the request itself, if public disclosure would defeat the purpose for which the exception is sought. The request for exception must be in writing and state, in detail, the specific reasons for the requested exception. It also must specify the proposal or portions thereof for which the exception is requested. If the City of Kingston grants the request for exception from disclosure, the City will keep such proposal or portions thereof in secure facilities.

The City of Kingston shall not be liable for any costs incurred by respondents in the preparation of responses or for any work performed in connection therein.

A. Formal Letter of Interest by Principal Developer

All responses are required to include a Formal Letter of Interest from the Principal Developer.

Letter should be addressed to:

B. Conceptual Plan

Provide a conceptual development plan for the RFQ which is consistent with the Development Concept, Development Objectives and Development Guidelines outlined within this RFQ. Also, provide an accompanying narrative that will enable the City to sufficiently understand the respondent's submission and conformity with the RFQ criteria. Respondents may, but are not required to, submit conceptual drawings illustrating preliminary proposals for site uses and building placement. The plan and the narrative should include preliminary indications of approximate square footages for each proposed use. In addition, the response should include information concerning project quality, features and amenities. Each respondent will include an outline development budget and a preliminary operating pro-forma based on their project concept and their understanding of the Kingston market.

C. Experience and Qualifications of the Developer/Development Team

E. Financial Capacity

All respondents must provide evidence of the ability to obtain financing for major real estate projects. Please provide information regarding the financial condition of your firm along with bank and credit references.

Documentation under this section may be submitted under a separate cover to ensure confidentiality. If you choose to submit this information separately, please note it clearly in the appropriate section of the RFQ submission.

- Financial Statements of the parent company of the principal developer, whether publicly traded or privately held for the last three fiscal years. Publicly traded companies should submit the latest annual report and form 10K. Financial statements should be complete and include a balance sheet, profit and loss statement, statement of cash flow and notes to the statements. Audited statements are preferred.
- Dun & Bradstreet report or Federal ID number of the parent company of the principal developer, whether publicly traded or privately held.
- Narrative describing any current or outstanding litigation pending against the team or any of its members, as well as any litigation brought by or against any individual involved with the project, during the last five years.
- List of prior debts involving monetary defaults, bankruptcies or foreclosures.

**VI. SELECTION PROCESS AND CRITERIA**

All responses will be reviewed and evaluated by a selection committee. Responses will be reviewed and evaluated based upon information contained in the respective submission packages and responsiveness to the submission criteria delineated below.

The selection committee will evaluate the submissions beginning after the posted submission date.

Upon review of the submissions, the City reserves the right to:

1. Take no further action.
2. Select a short list of developers
3. Select a developer based upon the quality of their submission.

Selection Criteria

The factors to be considered in the selection process include but are not limited to:

1. Project impact and feasibility
